

Absolute Fabulist

Sexy and Candid evolve out of his own physical sense Urquijo's creativity brings ideas outside the predictable norm into reality. One look at his Unique Style of design and photography you would see that you won't find anything like this anywhere else. While his work is not yet widely available, the Cognoscenti know enough to seek it out. This Fashion Designer and Photographer Christiun Urquijo throws open the doors and unveils his own label

THIS SEASON....

URQUIJO
